I would like to contribute to your organization as a Full Stack Web Developer, leveraging my ability to develop web applications through technologies I learned. I am also willing to strengthen and expand my skills to be more fitting and to help strengthen your team with my newly found coding expertise.

AREAS OF EXPERTISE

Hard skills

- Frontend: HTML, CSS, React
- Databases: MongoDB, MySQL
- Scripting Languages: JavaScript
- Frameworks: JQuery
- CMS: HubSpot
- SDLC Phases: Development, Test, Deploy

Soft skills

- Performed management roles such as: leading in certain projects, assisting new members, shadowing and evaluating work performance.
- Team player in a group of web developers.

PROFESSIONAL EXPERIENCE

Sence1 (formerly CREATIVEHOPE PH INC.)

Metro Manila, PH

Web Developer

480 HOURS INTENSIVE THREE MONTHS COURSE | Zuit Coding Bootcamp, Metro Manila, PH

BACHELOR OF SCIENCE IN MARKETING MANAGEMENT | De La Salle University - Manila, Metro Manila, PH

ABOUT ME

I like hanging out and spending time with my friends. In my free time, I also listen to music - although I explore a variety of genres, I really like OPM songs. I also play the guitar and sing (a bit). But in the present, somehow I do appreciate the small things like a good walk or spending time in a cafe.
